

Woodwork

Class plan week 15th-19th June.

This week we revising all the learning that has happened online for the last 12 weeks.

I hope to keep this revision fun. I will be posting quizzes, word searches, crosswords and popular break the code quiz. It will cover all the areas we have looked at this past 3 months or so, tree types, health and safety, tools etc.

I will post 3 different activities:

- Tuesday 16th I will post quizzes based on the different Trees types and the science of how a tree grows.
- Wednesday 17th I will post quizzes based on Health and Safety.
- Friday 19th I will post a break the code quiz.
