

'Good morning everyone,

Thank you so much for your continued work & for keeping us updated. We hugely appreciate all your efforts & truly recognise how difficult these last few months have been. You have been amazing tending to the work & uploading everything for us, so a deep Heart-felt thank you.

As we enter our last full week of school for this academic year, we will continue to post a fun activity each morning on ClassDojo but also, next week will see St. Joseph's virtual Sport's Week! So keep an eye on our school's Facebook page or ClassDojo to see some of our staff demonstrate a fun sporting exercise to try at home! We would much prefer to be able to hold our traditional end of year sports day, but unfortunately this too must be 'virtual'! Looking forward to hearing how you get on, & hopefully seeing some videos or pictures!

Thank you again for your continued support.

Ms Ryan & Ms Scanlan

Mr. Keating's Groups

Maths Group

As it is getting near the end of the school year I am going to post some maths games on Clasdojo this week. If anyone wants some worksheets I do have some ready so just message me and I can send them.

English Writing Yellow Group

This week I am going to give everyone a choice, I will post some work on the letters P, Q & R following the same format as previous weeks and I will also post some fun activities as an alternative.

English Writing Red, Green & Blue Groups

This week I will post some fun activities and games that hopefully everyone will enjoy.

If anyone needs anything please send me a message on Clasdojo or email me at keatingk@sjss.ie. I am happy to help in any way.

Stay safe.

Mr Keating
