

ICT WORKSHEETS

Week Beginning: Monday, 22nd June 2020

Hi Junior Cycle L2LP Classes,

This week I have enclosed revision worksheets about **Computer Technology Keywords**. I will post these exercises on ClassDojo (Tuesday & Wednesday) with other related links. If you are unable to work on a screen/printout, you can write your answers in your copy. If possible, please post a photo of your completed work on the ClassDojo page.

I have also included the internet search quiz/puzzle about **News & Current Affairs** and the answers to last week's quiz. I will post next week's quiz on ClassDojo on Thursday. The topic will be **General Knowledge**. That means it will be based on a broad range of facts about various subjects (news, sport, science, music, etc.).

Continue practicing your typing skills through your accounts on www.typing.com, and make sure to try the games there too.

If you have any questions, I can be contacted by message on the ClassDojo page or send an email to healyd@sjss.ie .

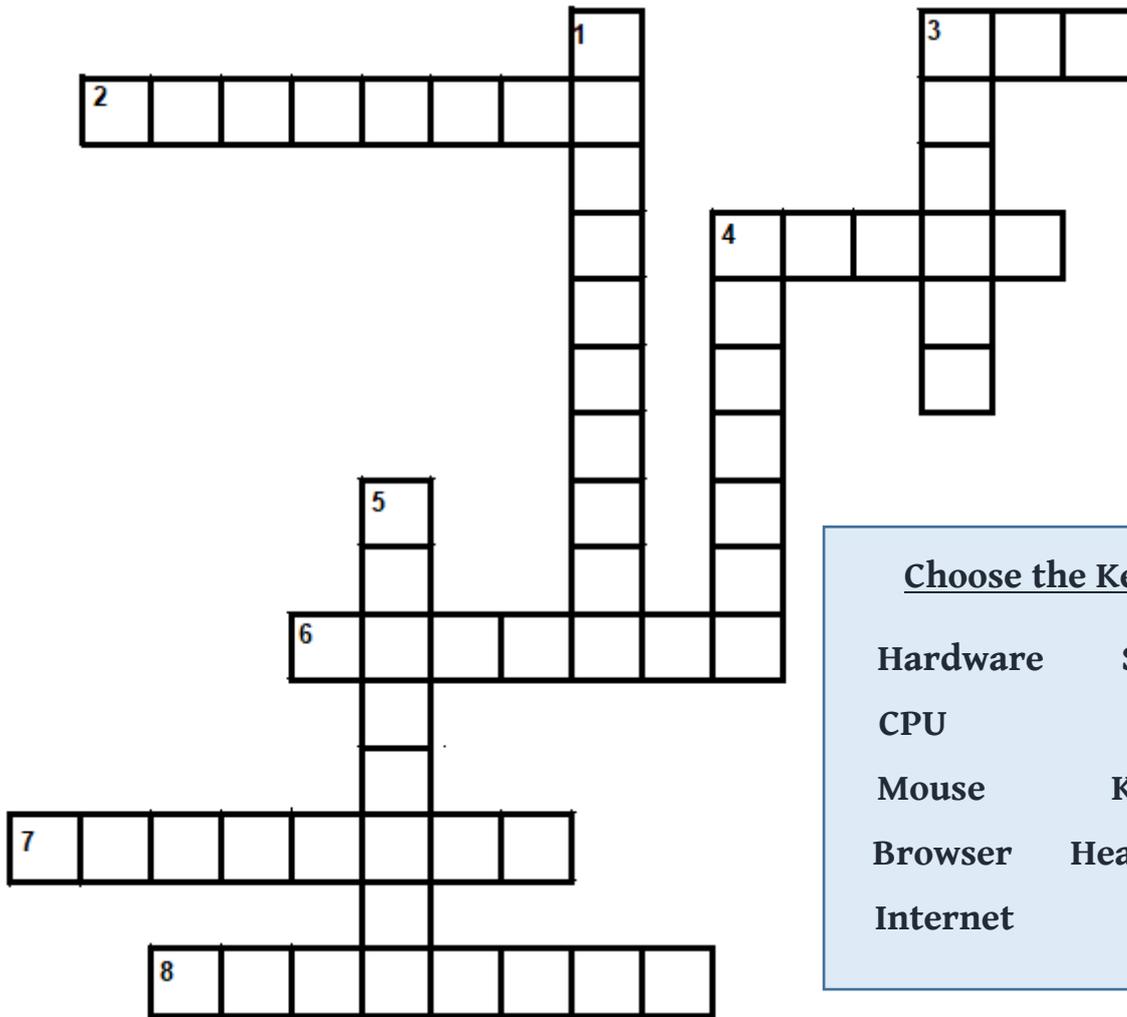

Stay safe, enjoy the sports/activity week & take care,

Mr. Healy

Computer Technology Terms Crossword

Name: _____ Class: _____

Choose the Keyword
