

Week beginning Monday 22nd June 2020

I hope you had a lovely weekend. It is hard to believe that it is the last week of the school year. Thank you for supporting your child's school work at home. We are going to look at lots of fun activities this week.

<u>Monday</u>	<u>Tuesday</u>	<u>Wednesday</u>	<u>Thursday</u>	<u>Friday</u>
Boom Learning/ Communication	Boom Learning/ Communication	Boom Learning/ Communication	Boom Learning/ Communication	Boom Learning/ Communication
Life Skills	Life Skills	Life Skills	Life Skills	Life Skills
Sports week daily activity	Sports week daily activity	Sports week daily activity	Sports week daily activity	Sports week daily activity
Play	Play	Play	Play	Play

Here is a sample timetable which may help spread out different activities over the week. I have uploaded the timetable & some fun activities on Class Dojo. You can also take a look at, the under the sea activities on Class Dojo, if you did not get a chance to already. You might find something enjoyable there.

The boys can either complete boom cards or work on their communication, whichever they prefer.

As this is the last week of term, I think it would be nice to focus on play, some fun life skills and sports activities.

If you need anything, please don't hesitate to ask me. Don't forget to send me a picture of their work on Class Dojo/by email or let me know how they are getting on. I would love to know. Again, I am so proud of all the hard work you have been doing at home.

Thank you,

Ms. Mulvey
