

22nd June

Hi Everyone,

Hope everyone is well and enjoyed the lovely weather at the weekend! Here is what we'll be doing for our online learning this week! Hopefully, I'll see you all in our online classes this week so you can tell me what you've been getting up to!

In English we'll be revising our compound words from last week and going over everything we've done in the last few weeks. Your English tasks on Boom this week will be mixture of everything I'll also be popping up a spelling, grammar and comprehension task for easy revision!

In maths, we are going to look at fractions and I have lots of fun fraction activities planned for our Zoom classes. Look out for fractions you see in real life, maybe half a teaspoon when you're baking or you might cut your sandwich into quarters!

On Boom Learning, I'll be putting up 3 tasks every day, these are detailed in the Grid below. I'll change the tasks every day after our online classes so you'll have the whole day to do any of the tasks you want! Don't worry if you don't get some of the tasks done, I can leave them up longer if you're having a busy day and don't get a chance to do them!

This week is Sports week! Lots of staff will be posting videos on Dojo, our Facebook page and the school website. We'd love if you could join in, try some tasks and send us a picture or video of you trying them!

All of us in school hope you're keeping well and if there's anything exciting you've done or seen, please take a picture to send to me so I can show Tony, Elaine and Aishling because I know they'd love to hear from you!

Have a great week!

Miss Casey ☐
